PRANJAL KHAREL

STUDENT | TECH ENTHUSIAST | LEARNER

Kageshwori Manohara-6, Kathmandu | pranjalkharel86@gmail.com

SUMMARY

I am a proactive and motivated B.Sc. CSIT student with a strong passion for IT, complemented by hands-on experience in project management and a solid technical skill set. My expertise includes proficiency in programming languages such as C++, C, and Arduino, along with a foundational understanding of frontend web development and ideation for Meta and Google Ads. I possess excellent communication and interpersonal skills, with a demonstrated ability to work effectively both independently and within a team.

SKILL HIGHLIGHTS

C	Java Script	Canva Design
C++	CSS	Project Management
Arduino	HTML	Photo Editing

VOLUNTEER EXPERIENCE

Campus Director, Hult Prize At Samriddhi College   Jul 2024 - Apr 2025

- Developed and communicated the On-Campus Program's vision and strategy, leading the Organizing Committee to align with program goals and setting measurable team objectives.
- Built and maintained relationships with university representatives and key stakeholders to secure support, resources, and promote program awareness.
- Recruited a diverse participant group, provided necessary resources, training, and mentorship, and continuously improved the program based on participant feedback.
- Ensured effective communication within the Organizing Committee, adhered to Hult Prize guidelines, and provided regular progress updates through the Community Portal.
